A group of friars were behind on their belfry payments so they opened up a small florist shop to raise the money. Everyone liked to buy flowers from the men of God, but the rival florist across town thought the competition was unfair. He asked the good fathers to close down, but they would not. So the rival florist hired Hugh McTaggart, the roughest and most vicious thug in town to "persuade" them to close. Hugh trashed the store, saying he'd be back of they didn't close the shop. Terrified, they did - thereby proving that "Hugh, and only Hugh, can prevent florist friars".

If a word is misspelled in the dictionary how would we ever know?

Why do we say something is "Out of whack?" What the heck is a "whack?"

A Potato Story

You know that all potatoes have eyes. Well, Mr. and Mrs. Potato had eyes for each other, and finally they got married, and had a little sweet potato, whom they called 'Yam.'

Of course, they wanted the best for Yam. When it was time, they told her about the facts of life. They warned her about going out and getting half-baked, so she wouldn't get accidentally mashed and get a bad name for herself like 'Hot Potato,' and end up with a bunch of Tater Tots.

Yam said not to worry, no Spud would get her into the sack and make a rotten potato out of her! But on the other hand she wouldn't stay home and become a Couch Potato, either. She would get plenty of exercise so as not to be skinny like her Shoestring cousins.

When she went off to Europe, Mr. and Mrs. Potato told Yam to watch out for the Hard Boiled guys from Ireland, and the greasy guys from France called the French Fries. And when she went out west, to watch out for the Indians so she wouldn't get scalloped. Yam said she would stay on the straight and narrow and wouldn't associate with those high class Yukon Golds, or the ones from the other side of the tracks who advertise their trade on all the trucks that say, 'Frito Lay.'

Mr. and Mrs. Potato sent Yam to Idaho P.U. (that's Potato University) so that when she graduated she'd really be in the Chips. But in spite of all they did for her, one day Yam came home and announced she was going to marry Tom Brokaw. Tom Brokaw!? Yam's parent's exclaimed! Oh my, Mr. and Mrs. Potato were very upset at this announcement. They told Yam she couldn't possibly marry Tom Brokaw because he's just

a Common Tator.

Three buddies die in a car crash, and they find themselves at the pearly gates.

They are all asked, "When you are in your casket and friends and family are mourning upon you, what would you like to hear them say about you?"

The first guy says, "I would like to hear them say that I was the greatest doctor of my time, and a great family man."

The second guy says, "I would like to hear that I was a wonderful husband and school teacher who made a huge difference in our children of tomorrow."

The last guy replies,
"I would like to hear them say... LOOK!!! HE'S
MOVING!!!!!"

A big group of hunters were in the middle of the jungle and decided to split into smaller groups. Four fools decided to form one of the smaller groups and started walking.

After a while, one of them realized they were quite far away from the main group, and that they couldn't possibly find the way back. One of the other fools says to the other three: "I've heard that whenever you can't find your group, what you have to do is to shoot three times to the air and wait for someone to find you" They shoot three times to the air, wait a while, but nothing happens. So they shoot three more times to the air but, again, no one comes to help them. After trying three shots more the fool says: "I hope this time someone can find us... that was my last arrow"

Why don't cats play poker in the jungle? Too many cheetahs.

Is it bad luck if a black cat follows you? That depends on whether you're a man or a mouse.

And finally.....

A man in Phoenix calls his son in New York the day before Thanksgiving and says, "I hate to ruin your day, but I have to tell you that your mother and I are divorcing; forty-five years of misery is enough. "Pop, what are you talking about?" the son screams. We can't stand the sight of each other any longer," the father says. "We're sick of each other, and I'm sick of talking about this, so you call your sister in Chicago and tell her." Frantic, the son calls his sister, who explodes on the phone. "Like heck they're getting divorced," she shouts, "I'll take care of this,"

She calls Phoenix immediately, and screams at her father, "You are NOT getting divorced. Don't do a single thing until I get there. I'm calling my brother back, and we'll both be there tomorrow. Until then, don't do a thing, DO YOU HEAR ME?" and hangs up.

The old man hangs up his phone and turns to his wife. "Okay," he says, "they're coming for Thanksgiving and paying their own way."

Happy Thanksgiving!!
