A Well Planned Life

Two women met for the first time since graduating from high school. One asked the other, "You were always so organized in school. Did you manage to live a well planned life?" "Yes," said her friend. "My first marriage was to a millionaire, my second marriage was to an actor, my third marriage was to a preacher and now I'm married to an undertaker." Her friend asked, "What do those marriages have to do with a well planned life?" "One for the money, two for the show, three to get ready, and four to go" she replied.

Mr. Know-It-All

Two guys are speeding through Texas when a state trooper pulls them over. The trooper walks up to the driver's side of the car, gets out his billy club and smacks the driver across the face. Stunned, the driver asks, "Why did you do that??"

The trooper responds, "You're in Texas now son, you have that license out and ready around here!"

"I apologize sir; I'm not from around here."

The trooper then walks to the passenger side of the car, and taps on the window. The passenger rolls down his window and the trooper takes out his club and smacks the passenger across the face.

"What was that for?" asked the passenger.

"I know your kind," says the trooper, "About two miles down the road you would have looked at your buddy and said 'I wish that guy would have tried that crap with me!'"

And Baby Makes Three

The first nurse comes out and tells the first father, "Congratulations you're the father of twins!" He says, "Great! I am the manager for the Minnesota Twins."

The second nurse comes out and tells the second father, "Congratulations you're the father of triplets!" He says, "That's cool! I work for 3M."

The third father opens the window and jumps out.

The third nurse comes out, and asks, "Where's the third father?"

One of the other fathers said, "Oh he jumped out the window."

The nurse asks, "Why?"

He replied, "He works for Seven Up!"

3 friends die in a car accident and they go to an orientation in heaven. They are all asked, "When you are in your casket and friends and family are talking about you, what would you like them to say?"

The first guy says, "I would like to hear them say that I was a great doctor of my time, and a great family man."

The second guy says, "I would like to hear that I was a wonderful husband and school teacher which made a huge difference in our children of tomorrow."

The last guy replies, "I would like to hear them say ... Look, He's Moving!"

An Attentive Husband

A man was sitting on the edge of the bed, observing his wife, looking at herself in the mirror. Since her birthday was not far off he asked what she'd like to have for her Birthday.

"I'd like to be six again", she replied, still looking in the mirror.

On the morning of her Birthday, he arose early, made her a nice big bowl of Lucky Charms, and then took her to Six Flags theme park.

What a day! He put her on every ride in the park; the Death Slide, the Wall of Fear, the Screaming Monster Roller Coaster, everything there was. Five hours later they staggered out of the theme park.

Her head was reeling and her stomach felt upside down. He then took her to a McDonald's where he ordered her a Happy Meal with extra fries and a chocolate shake. Then it was off to a movie, popcorn, a soda pop, and her favorite candy, M&M's.

What a fabulous adventure! Finally she wobbled home with her husband and collapsed into bed exhausted. He leaned over his wife with a big smile and lovingly asked, "Well Dear, what was it like being six again??"

Her eyes slowly opened and her expression suddenly changed. "I meant my dress size, you dummy!"

Thanksgiving Forecast

In the pre-Thanksgiving rush, we have received an early weather report from our in-house weather reporters.

Turkeys will thaw in the morning, then warm in the oven to an afternoon high near 190F. The kitchen will turn hot and humid, and if you bother the cook, be ready for a severe squall or cold shoulder.

During the late afternoon and evening, the cold front of a knife will slice through the turkey, causing an accumulation of one to two inches on plates. Mashed potatoes will drift across one

side while cranberry sauce creates slippery spots on the other. Please pass the gravy.

A weight watch and indigestion warning have been issued for the entire area, with increased stuffiness around the beltway. During the evening, the turkey will diminish and taper off to leftovers, dropping to a low of 34F in the refrigerator.

Looking ahead to Friday and Saturday, high pressure to eat sandwiches will be established. Flurries of leftovers can be expected both days with a 50 percent chance of scattered soup late in the day. We expect a warming trend where soup develops. By early next week, eating pressure will be low as the only wish left will be the bone.

Happy Thanksgiving!
