

Diversey CleanPath Webinar

Friday November 16, 2018
1:00 PM CST/2:00 PM EST

Healthcare Floors... Do We Need to Disinfect?

**Jim Gauthier will discuss issues around what to do with floors.
Should healthcare facilities clean, sanitize or disinfect?**

- Review current literature on what to do with floors.
- Review literature on movement of microorganisms from floors to patient and staff surfaces.
- Discuss options based on risk.

Sign up [here](#) and you will receive the webinar information as soon as it is available.
