Other key value and terms

- Concierge service fees are firm for the term of agreement. Driving rate pricing varies based on location, vehicle type, mileage and trip time and can be found [online](#).
- Financial analysis reveals that Lyft is offering a 50 percent discount off of list price for concierge service fees.
- There is a limitation of liability on driver-related claims that Lyft will cover up to their applicable insurance limits plus \$1 million in the aggregate. Accordingly, Lyft is required to keep an insurance policy with a \$1 million per occurrence/ride limit.
