

Power your HR with PHV HR Services

PHV HR Services assist healthcare organizations in addressing a wide variety of human resource challenges. Whether you need help with employee relations and staffing, a specific project, or something more simple, we can help.

We bring you a combined 30+ years of experience working within rural healthcare environments. Through a collaborative model, we leverage the expertise of multiple partners to customize our services for your specific needs.

Prairie Health Ventures (PHV) is a leading alliance of hospitals, non-acute healthcare and other business organizations in the Midwest. Member owned and directed, our growing membership of 52 hospitals and over 500 healthcare and business entities across the region is actively engaged in a variety of business activities aimed at providing solutions to improve access, quality and business performance. Our purpose: We exist to help members succeed through collaboration.

Why use PHV for your HR needs?

As your advocate, we'll come alongside your leadership team to support your unique goals in staffing and developing a high performing organization. Our expanded services are designed to meet your unique needs:

-  Compensation Review, Analysis, & Implementation
-  Culture Assessments
-  Employee Relations & Conflict Resolution
-  HR Audits, Assessments, & Consulting
-  Interim Staffing
-  Leadership/Employee Training & Development
-  Policy Development & Employee Handbooks
-  Recruitment, Retention, & Job Descriptions
-  Performance Review Process & Documentation
