

High Density Mobile Storage Systems

Effective July 1, 2018 through June 30, 2021

Products and services available

This category includes manufacturers of solid steel shelving, rotary storage, systems and related high density storage accessories to save space, maximize storage capacity, cut costs, make room for people, accommodate growth, consolidate operations, avoid moving, improve workflow and productivity, reduce supply inventories, prevent misfiling, control unauthorized access and pilferage and eliminate clutter. Items can include cantilever shelving, configurable materials management shelving, floor-mounted storage systems, manual mobile systems, mechanical assist mobile system, personal storage lockers, refrigerated lockers and warehouse mobile storage.

How to operationalize these agreements

A Participating Member Designation Form (PMDF) or electronic price activation (PA) is required at Tier 2 or higher with all suppliers.

Aggregation opportunities

Aggregation is allowed for multi-facility systems, group purchasing organizations and established networks of facilities with all suppliers.

Class of trade

Agreements are available to acute care, non-acute healthcare and non-healthcare facilities.

Other key value and terms

- Pricing is firm for the term of the agreement with Logiquip and Quantum Medical.
