

Inbound and Outbound Freight

Effective June 1, 2019 through May 31, 2022

Products and Services Available

This category includes freight services including next day, second day, express, ground and international for members across the U.S., Puerto Rico and Canada. Carriers negotiate service type rates directly with the member.

How to Operationalize This Agreement

A Participating Member Designation Form (PMDf) or electronic price activation (PA) is not available with this agreement.

- All members must complete Exhibit A-2 Member Program Enrollment Agreement unless previously enrolled in contract PP-MM-428.

Members previously enrolled will be automatically reenrolled in new contract and are not required to submit a new member agreement.

Aggregation Opportunities

Aggregation is allowed for multi-facility systems, group purchasing organizations and established networks of facilities. Members will be aggregated at top parent level, as identified on the membership roster.

Class of Trade

Agreement is available to acute care, non-acute healthcare and non-healthcare facilities.

Other Key Value and Terms

- Discounts are firm for the term of the agreement.
 - Services not identified on Exhibit A-3 (e.g. accessorial charges, special handling charges and surcharges (e.g. fuel charges)) will be subject to the published rates in the FedEx service guide in effect at the time of shipment. See Exhibit H FedEx Service Guide for details.
- Financial analysis reveals FedEx's new agreement offers increased discounts off base rates in all freight services (priority, standard, 2-day AM, 2 day, express saver 3-day, 1 to 3 day, U.S. export, ground commercial, home delivery and ground package return) except for U.S. import delivery compared to its expiring agreement discounts off base rates.
- FedEx offers members co-branded marketing materials and additional services, including inbound supply chain analytics, package design and development and SenseAware devices as value-adds.
