Customer Comments:

Eakes Office Solutions provides the utmost customer service and highest quality products. Their outstanding team goes above and beyond to ensure the client's expectations are exceeded. Caring, compassionate, talented, innovative and dedicated describe the team you will work with at Eakes. I would highly recommend Eakes on any of your future furniture projects. ~ Lexington Regional Health Center

Eakes provides our business with outstanding service and products to meet our office needs. Our furniture representative's knowledge and expertise allows us to improve our efficiency and maximize our office space. He is quick to respond to our needs and is a pleasure to work with. ~ Columbus Community Hospital

We truly appreciate the expertise and the personal attention that the Eakes team gave us during two recent construction projects. They went out of their way to help our staff make the right furniture choices and more importantly, taught them how to appropriately use it and care for it. ~ Great Plains Health
