

# SANITIZING MIST STATION

Accu-Tech Corporation, contract CC-IT-007, is pleased to offer Premier Members a negotiated pricing structure for the **Walk-Through Sanitizing Station**.

## Temperature Detection, Touchless Hand Sanitizer and optional I.D. Scanner / Facial Recognition

Upon entering the station, visitors face a wall mounted scanner that reads their temperature. Once cleared, there is a touchless hand sanitizer dispenser for use. Walking further into the station, there is a light mist which is used to disinfect using a safe solution that eliminates 99% of bacteria and viruses.

**Healthcare Facilities, Assisted Living, Government Buildings, Nursing Homes, Attractions, School, Stadiums, Venues, Airports, Offices, Restaurants and more.**
