

OfficeSuite UC: Powerful integrated business communications made easy for everyone

Powerful, yet easy-to-use, OfficeSuite UC is a UCaaS solution blending user-centric design with advanced technology. It includes a complete suite of voice and collaboration features that can be tailored to the unique needs of any organization, from small businesses to mid-market enterprise. It's so intuitive, employees can easily manage communications themselves, boosting their productivity. It's also highly flexible and can easily scale to 2500 users. Finally, because it's built on proprietary technology, it's both highly reliable and highly secure.
