

# FAST AND RELIABLE COVID-19 ID SOLUTIONS

We understand your organization is busy creating processes and guidelines around COVID-19 testing and identification. With plenty of stocked products and unlimited customization options, PlatinumCode is here to provide you with the labels and wristbands you need at this time. Our US-based manufacturing facility can quickly meet your demands in a cost-effective manner.

## LOCKDOWN SITE SOLUTIONS

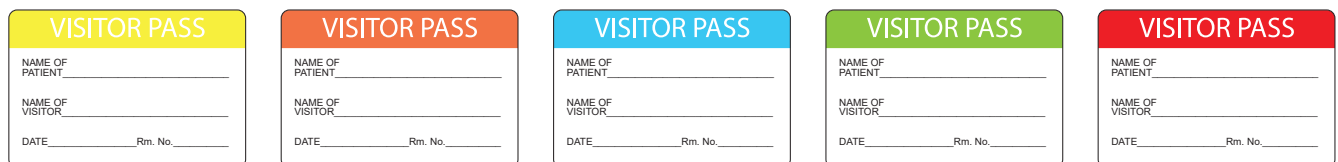

Short-term wear solutions for sites that are screening and identifying staff, patients, and visitors who enter the facility

### Colored Tyvek® Wristbands

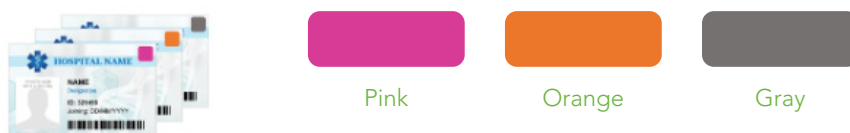

Contact us for additional color options

### Visitor Passes

Contact us for additional color or text options

### Staff Badge Stickers

Badge labels available in any color or size

Great for color-coding staff who have recently traveled out of the country, are working in high-risk areas of the facility, or have been tested for COVID-19

## COVID-19 ADMIT ALERT SOLUTIONS

Durable, long-term wear solutions for sites who are admitting, testing, and quarantining patients
