

Effective July 1, 2019 through June 30, 2022

Products and Services Available

This category includes security products and services, such as guest identification, identification badging, access control, closed-circuit television (CCTV) cameras, property protection, onsite security personnel, security training and emergency operations center (EOC) training.

These products were previously included in the Fire, Life Safety, Security Systems and Services category.

How to Operationalize these Agreements

A Participating Member Designation Form (PMDf) or electronic price activation (PA) is required at Tier 2 or higher with both suppliers.

Aggregation Opportunities

Aggregation is allowed for multi-facility systems, group purchasing organizations and established networks of facilities with both suppliers.

Class of Trade

Agreements are available to acute care, non-acute healthcare and non-healthcare facilities.

Other Key Value and Terms

- Pricing is firm for 12 months with IDenticard. Price adjustments, determined by the weighted average of the purchase price of plastics and resins, metals and metal products, may occur on a yearly basis, capped at a 5 percent increase or decrease.
- Pricing is firm for the term of agreement with Metrasens.
- Financial analysis reveals that IDenticard's new agreement pricing has an overall 1.8 percent increase compared to its expiring agreement pricing.
- For IDenticard, once a proof is approved and in production, it cannot be cancelled without authorization. A minimum \$50 order cancellation fee may be charged, and all related pre-production costs will be invoiced.
- Available through authorized resellers: Metrasens
- Available direct: IDenticard, Metrasens
