

## New Membership Benefit Now Available: Exclusive GPO Member Pricing on stockd.

Premier members\* now have access to exclusive GPO member pricing on stockd, Premier's online marketplace, representing an additional level of savings for thousands of products on the site —from medical supplies to maintenance to office products and much more!

### How It Works:

Step 1	Step 2	Step 3
Create a <a href="#">free business account</a> on stockd	Shop all <a href="#">GPO product offers</a> on stockd by clicking on the GPO header icon 	Order products at the best price without any forms or paperwork

### Benefits of Using Stockd for Business Purchases:

#### Convenient Purchasing Platform

A familiar and easy-to-use marketplace for healthcare providers and businesses.

#### Exclusive GPO-backed Savings Online

A streamlined buying experience that allows members to purchase products online from GPO contracted suppliers at exclusive prices directly on stockd.

#### Specialized Products

Stockd offers a curated selection of discounted priced products for qualifying business customers. Licensed medical professionals have the option to purchase prescriptive medical devices and equipment.

#### Custom Price Quote Feature

Using this feature, stockd buyers can select specific products and request custom price quotes for large quantities directly from sellers in a matter of clicks. Set the quantity, set the price, and once approved complete the purchase at checkout.

#### Simplified Management Workflows

Easily register multiple buyers for your business, create purchasing lists, complete purchases once approved, access approved payment methods, and receive tax exemption for qualifying organizations.

#### Financing Solutions

Need flexible payment options? Apply for a line of credit to unlock a purchase order option with payment terms at checkout.
