

Effective May 1, 2022 through April 30, 2025

Products and Services Available

This category includes suppliers that specialize in the distribution of maintenance, repair and operations (MRO). MRO items include general daily operational products, door hardware and securities, electrical and telecommunications equipment and materials, fasteners, heating/ventilation/air conditioning (HVAC), lamps/ballast and fixtures, plumbing, power generation equipment, hand, power and pneumatic tools, safety equipment, personal protective equipment (PPE) and related services.

How to Operationalize These Agreements

- A Participating Member Designation Form (PMDF) or electronic price activation (PA) is required at Tier 2 or higher with Turtle & Hughes.
- A PMDF/PA is required at Tiers 1 and 3 with Grainger except for members who have previously been affiliated to Grainger's expiring MRO contract PP-FA-591; a PMDF/PA is required at Tiers 2, 4 and 5 for all members.
 - To participate in one of the Committed Grainger Value Programs, the member must submit the applicable participation form (found on Exhibit L Healthcare Committed Grainger Value Program and Participation Form, Exhibit M Healthcare Committed Plus Grainger Value Program and Participation Form or Exhibit N Non-healthcare Committed Grainger Value Program and Participation Form) by July 31, 2022, or for new members, within 90 days of completing a PMDF.
- A PMDF/PA is required at all tiers with HD Supply.
- A PMDF/PA is not required with Honeywell or SupplyFORCE due to single tier offerings.

Aggregation Opportunities

- Aggregation is allowed for multi-facility systems, group purchasing organizations (GPOs) and established networks of facilities with Grainger, Honeywell, SupplyFORCE and Turtle & Hughes.
 - Grainger may review aggregation groups whose annual volume with seller exceeds \$1 million for program modification.
- Aggregation is allowed for multi-facility systems and established networks of facilities with HD Supply.

Class of Trade

- Agreements with Grainger, HD Supply, SupplyFORCE and Turtle & Hughes are available to acute care, non-acute healthcare, non-healthcare, including business and industry, retail pharmacies and durable medical equipment suppliers.
- Honeywell's agreement is available to select healthcare classes of trade; see Exhibit B-2 for details.

Other Key Value and Terms

- Pricing and/or discounts are firm for the term of the agreement with HD Supply, Honeywell, SupplyFORCE and Turtle & Hughes.
 - With SupplyFORCE, if there is an unusual increase in costs of raw materials/manufacturing of $\geq 8\%$, prices may increase.
- Pricing is firm for six months with Grainger; thereafter market basket products and pricing are updated semi-annually.

Other Key Value and Terms (Continued)

- Financial analysis reveals:
 - Grainger's new agreement pricing has a 5.3% increase compared to its expiring agreement.
 - Turtle & Hughes' expiring agreement was based on line-item pricing, and its new agreement has a discount off of list price; therefore an analysis is not available.
 - Due to the high level of customization in distribution categories, there is no supplier comparison.
- Grainger offers additional category discounts, a Hot List and a consolidation growth rebate as value-adds; see Exhibits A-1, L, M and N for details.
- HD Supply offers in-unit appliance delivery services as a value-add.
- SupplyFORCE will conduct activities designed to deliver total cost savings as a value-add; see Exhibit I for details.
- SupplyFORCE offers a 1% early payment discount.
- HD Supply has a \$150 minimum order requirement for freight free shipping.
- Grainger, HD Supply and SupplyFORCE offer national coverage.
- Turtle & Hughes offers multi-regional coverage in California, Connecticut, Massachusetts, New Jersey, New York, Pennsylvania and Texas.
- Products purchased under Grainger's agreement are for members' "own use" and may not be resold.
- Available through distribution: Honeywell, SupplyFORCE
- Available direct: Grainger, HD Supply, SupplyFORCE, Turtle & Hughes
